Welcome

Dear Colleagues,

We invite you to join us at the 1st State Of Art Plastic SURGERY meeting in Bremen. We will welcome you from 22.02.-24.02.2018 in our department for Plastic, Reconstructive & Aesthetic Surgery in the traditional Klinikum Bremen Mitte.

We are planning to do live surgery to highlight trends and Innovations in the Breast, Face, Nose and Body with referring keynote lectures. We are glad on highly skilled and experienced surgeons from worldwide to share their experience and techniques in the parallel live surgery sessions.

The SOAP-meeting is an innovative educational Program which will cover the dominant advanced techniques for body sculpting.

This meeting is in cooperation with the German Society for Plastic, Reconstructive & Aesthetic Surgery, and we are glad to introduce you our other cooperation partner the IPSN (Interactiv Plastic Surgery Network).

We appreciate our industrial partners and will end the meeting with an exciting Live Workshop on minimal invasive Aesthetic Facial Procedures.

We are looking forward seeing you in the traditional beautiful Hansestadt Bremen.

Sincerely yours,

Prof. Dr. C. Can Cedidi
Congress President

Cooperation Partner
DGPRÄC
"The German Society of Plastic, Reconstructive and Aesthetic Surgery" (DGPRÄC) is officially representing more than 1700 German Plastic surgeons both nationally and internationally. Founded in 1968 the society is officially representing German Plastic Surgery in politics and science.

Only surgeons holding the German title “Specialist for Plastic and Aesthetic Surgery” or “Specialist for Plastic Surgery” are qualified for membership. Doctors in training may apply for "associate membership". The DGPRÄC organizes an annual congress and offers more than 80 hands-on workshops free of charge to their associate members. More information about DGPRÄC can be found here: www.dgpraec.de

IPSN
"Together Everybody Achieves More" — This is the concept of about 4,000 highly selected plastic surgeons all over the world that gathered around an idea that began more than 4 years back: The Interactive Plastic Surgery Network “IPSN”.

IPSN is the first interactive & international plastic surgery online community. It’s not only concerned for memberships, meetings, medical papers and workshops, but has the unique edge of being an around the clock, 24 hrs ready to help the plastic surgeons choose the best solution for their patients in all kinds of problematic cases with the maximum benefit of consultation and gaining different experiences from all over the world. Sharing the SENIORS experiences plus giving the opportunity for the JUNIORS innovations is the real equation of developing the Art of Plastic Surgery.

To know more about us, join us in our great event SOAP Meeting.
